Fly Leaf - - -

Rockwell Reservoir, north of Brady Lake, provides water for the city of Akron and adds to the beauty of our county.

Bloodstreams of industry and constant sources of recreation, the many lakes of Portage County bear evidence of the reason for the county having been named Portage.

THE PORTAGE COUNTY SCHOOLS

RAVENNA, OHIO

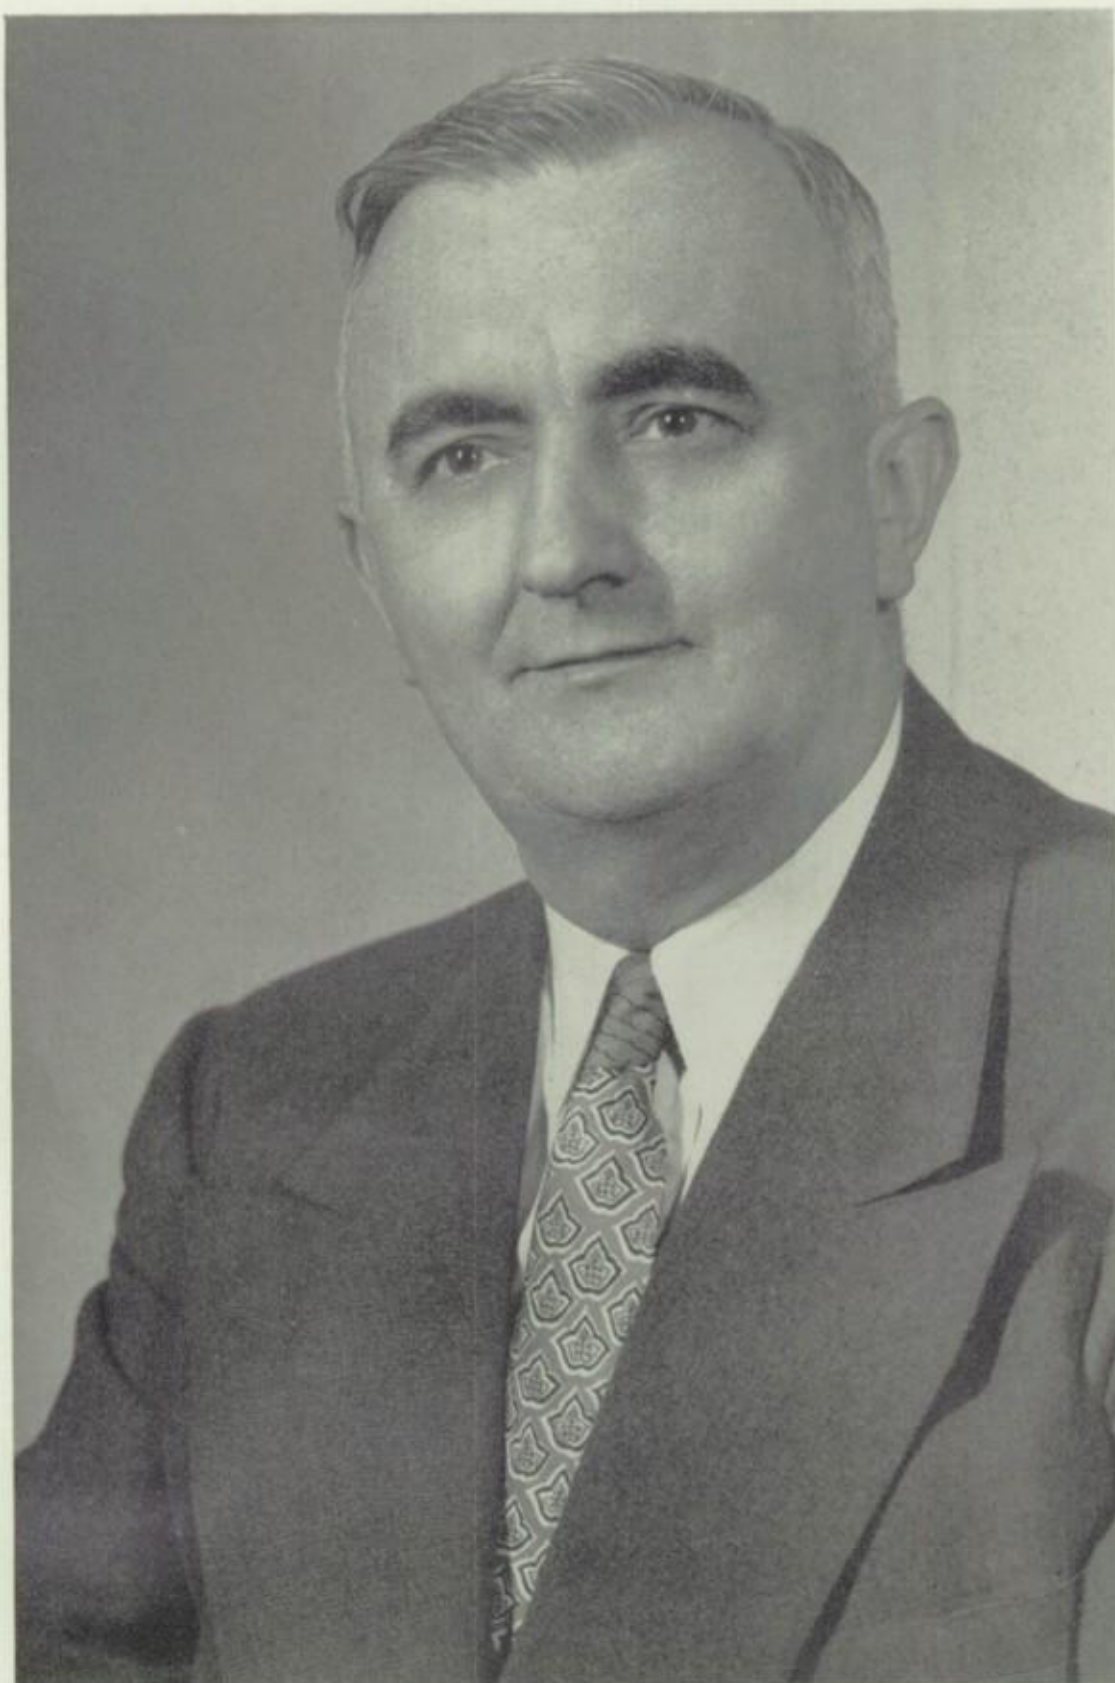

Dedication

Representing the people of Portage County and serving the needs of Portage County schools from the administrative viewpoint are the members of the County Board of Education. Composed of five members elected at large from the territory covered by their jurisdiction these members must have judgment, discretion, and vision in order to cope with the problems of our highly complex and diversified modern school systems.

In the face of the crisis facing the ever-expanding schools of our county and confronted with the increased demands of the present pending legislation for the State of Ohio, we of the Speedometer staff are confident that the people of Portage County have placed the administration of their schools in competent hands and we proudly dedicate the Speedometer of 1955 to the County Board of Education.

Pictured in the title page from left to right are: Mr. Herbert C. Belding, Randolph, Ohio; Mr. Harry F. Moore, R. 4, Ravenna, Ohio; Mr. Ward W. Davis, Vice President, Rootstown, Ohio; Mr. Harold E. Miller, President, Geauga Lake, Ohio; Mr. Leonard W. Green, Atwater, Ohio; Mr. Calvin P. Rausch, Clerk and County Superintendent.

CALVIN P. RAUSCH
Superintendent—Portage County Schools
Clerk—Portage County Board of Education

"At Work"

Mrs. Edna Wilcox

University Michigan, A. B. 1926 M. A. 1928
Additional Training, Iowa and University Michigan. Basic Certification in Speech Pathology American Speech and Hearing Association.

Formerly supervisor of speech correction Jackson, Mich. At present in Speech and Hearing Department, Kent State University.

Mrs. Wilcox does a great service in locating and treating children with speech and hearing defects throughout the county schools. She is assisted in this program by Speech and Hearing major students from the university.

Mr. Walter Kramer

"Walt" has filled two positions very ably thus showing his versatility. As County Attendance Officer he deserves a place in the school's yearbook and as Probation Officer for the Juvenile Court his work is with the young people of the county. His judgment and fairness have helped our boys and girls with many of their problems. To further cement his friendship with Portage County youth, Mr. Kramer has given freely of his spare time in directing and promoting athletics and recreation for boys and girls.

Mrs. Lucile Martin

Since joining the staff of the Portage County School System September 12, 1949, as secretary to Mr. Rausch Mrs. Martin has become an important part of the County Educational System. In her willingness to help, her devotion and loyalty to her job, she has endeared herself to all the school heads of the county. Mrs. Martin has done much to make this book possible.

"THE NINTH GRADE CLASS"

1946—In the first grade we had the tom thumb wedding which was a big success. Mrs. Kerwin was our teacher.

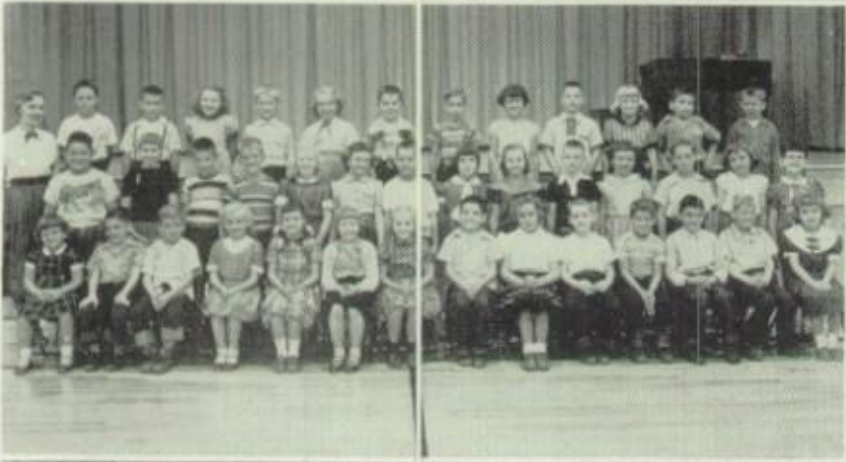

1948—Mrs. Smith was our teacher, later that year we went to the airport.

1949—Certain pupils were selected to be on a quiz show the year Miss Briggs was our teacher.

1952—Our first year in Junior High.

1954—We are finally in the ninth grade, our first year of high school.

1955—Mrs. Dunlavy is our home room teacher. We are completing our last nine years here at Brimfield, with a new school, which includes our own gym, a very modern Home Economics room and private lockers. The first through fourth grades have their rooms in it, too. In the old building we have our own permanent music room for vocal and instrumental work. We are very proud to have this new school. With crowded conditions for the past years we are proud of our new school and wish to express our thanks for the added room. We hope that the Freshmen classes to come have as much fun as our class had through our nine years at Brimfield. Now we are looking forward to Kent State.

Our principal, Mr. Cook, has been at the helm of our school for the past 13 years. He has seen our school grow from an enrollment of 418 to 705 and our teaching staff from 13 to 25. During his administration the school has added 11 new rooms, our school bus garage has been built, the bus fleet has grown from four to six, the playground has been hardtopped, and the inter-communications system has been installed.

When we need guidance on school problems or a personal problem, Mr. Cook is always understanding and willing to help. As students, we have been fortunate to have had his guidance and the example he has set for us will aid us in becoming better citizens for the future.

BAND—The 48-piece band, under the able direction of Mr. Pelligrini, played at most of the football games at home and away. Leading the band down the field were the majorettes: Vivian Hogle, Janet Miller, Charlene Kropac, Martha Sands, Mary Lawerentz, and Pat Epple.

Throughout the year the band has played at various occasions including the Junior play, assembly programs, open band rehearsal, music club exchange concerts at various schools, and the district band contest held at Kent State University, March 19, where they received a superior (1) rating. The rating made them eligible for entering the state contest at Ashland, April 23. The band feels that most of this success was due to the excellent leadership of their director, Mr. Pelligrini.

The band also was represented at the County Festival held at Kent State University on March 23 by 25 members. This year there are nine seniors graduating and leaving the band.

CHORUS—Mr. Pelligrini, in his fourth year at Rootstown, has 48 members in the chorus. During the past year the chorus has participated in the Thanksgiving Assembly, the Spring Music Festival, and the annual Baccalaureate Service in May.

Thirteen students represented Rootstown at the County Chorus held at Kent State University on March 23. The four senior representatives were: Joyce Murray, Elton Greer, Harold Miller, and Arnold Barnette.

Under the coaching of Paul Cary and his assistant, Dick Wilson, the Rovers, with Larry Jacobs and Ronnie Slimak acting as co-captains, started practice in mid-August. We had a scrimmage with Greensburg which ended quite evenly even though we had an inexperienced team. We had only six lettermen returning and most of the "big" boys were missing from the previous year.

In the county preview on September 10, Ravenna Township scored one touchdown on us, but they had the advantage as they started with the ball on our five-yard line.

Our first game was with Windham and it ended in a 6-6 tie. It was a hard fought game all the way but you could see our boys had much room for improvement.

The second game was with Randolph, who had almost their whole team returning. The game ended with Randolph the victors, 25-0.

The next game, on October 1, found us looking for a victory. We played Southeast and it was a 6-6 tie at half time. The Rovers came back in the third quarter and won the game 36-12.

On October 8, at our home field, we met Garfield. Our Rovers won the game 27-6.

Under very sloppy weather conditions, on October 15, the team went to Atwater for their game. Playing in water and mud up to our ankles, Atwater won 21-0.

Next was probably our toughest game of the season. We met Ravenna Township at Ravenna Stadium and they defeated us 46-6.

On November 6, we came back fighting. Although it was a losing cause the game was, never the less, an exciting one even though Suffield won 6-0.

The last game of the season was with Kent State at the University Field. We were out-classed completely, but our boys fought hard. The final score was Kent State 40, Rootstown 0.

Larry Jacobs was the leading ground gainer for the year with 598 yards and he was awarded the "most valuable player" trophy at the annual Football Banquet. Gary Shackelford made all-county second team as right end. Congratulations to these two boys.

First row: Paul Nichols, Roger Dietz, Paul Woolf, Russ Taylor, Don Grant, Gary Shackelford, Virgil Holloway.

Second row: Manager Glen Brown, Jerry Hanna, Kenny Kenreich, Bill Kibler, Dave Knapp, Kenny Ricks, Coach Dick Wilson.

The Rootstown Rovers started its 1954-55 season on November 15 with three seniors: Russ Taylor, Paul Woolf, Bill Kibler; five juniors: Gary Shackelford, Don Grant, Jerry Hanna, Kenny Kenreich, Dave Knapp; four sophomores: Roger Dietz, Kenny Ricks, Paul Nichols, and Virgil Holloway reporting for practice. Gary Shackelford was the only letterman back from last year. Under the coaching of Dick Wilson the Rovers had a week and a half of hard practice.

Scores in league games were as follows:

December 11—Rovers 71	Hiram 61.
December 17—Rovers 45	Randolph 63.
January 14—Rovers 62	Garfield 51.
January 21—Rovers 58	Aurora 53.
January 28—Rovers 73	Suffield 50.
February 4—Rovers 73	Mantua 64.
February 5—Rovers 54	Ravenna Township 60.
February 11—Rovers 57	Southeast 63.

Non-league games:

Rootstown 42 Marlboro 45	Rootstown 55 Twinsburg 72
Rootstown 54 Stow 55	Rootstown 59 Kent State 62
Rootstown 49 Windham 46	Rootstown 62 Solon 82

Tournament time rolled around and the Rovers drew the Bulldogs for their first game. On February 17, with revenge in their hearts due to the loss to Township two weeks earlier the Rovers played one of their best games to overcome Ravenna. They came home with their first tournament game a win. Paul Woolf sank 16 points followed by Paul Nichols with 12.

On February 21, for the third time the Rovers played Randolph, and for the third time the Tigers downed them 50-41. Russ Taylor put in 12 points for the Rovers followed by Dietz with 10.

February 25, Suffield 57-47. Rootstown's last chance for the regionals was their game with Suffield. The Rovers' poor shooting from the foul line cost them that chance. Roger Dietz contributed 14 points to this game.

Paul Woolf was high point man for the season with 347 points. Russ Taylor, Bill Kibler, and Paul Woolf played their last game for the Rovers. They will be graduating with their basketball letters shining on their school sweater.

Congratulations are in order to Paul Woolf, who made the all-county team and Roger Dietz and Gary Shackelford who made the all-county second team. Gary also won the foul shooting trophy.

First row: Harold Lowden, Larry Shaw, Roy White, Joe Bosko, Larry Miller.

Second row: Manager William Logan, John Herwick, Pat Chiconne, Dick Buirley, Dave Harville, Jack Shackelford, Russ Ulm, Coach Paul Cary.

HISTORY 1954-55

School started this year on September 6, when the teachers met with Mr. Nelson, to go over plans and rules, for the coming year. The following day, the students came back to school, after a summer's vacation, to meet their teachers and get the new year under way.

Our football season opened September 7, at Mogadore and closed November 5, with Ravenna Township. In between these dates, we suffered and cheered our school through 4 wins, 3 losses, and 1 tie game. Carol Norton, with Pat Clements and Hezel Lester as her attendants, reigned over the Homecoming Game and Dance. Our next social event was a style show, put on by the Y-Teen Club, with the help of the Tallmadge Dress Shop.

The "Curious Savage" was the title of the play selected by the seniors. This one had us worried, because it was so unlike any other we had ever attempted. We were afraid it might be too advanced for us. But, with much prodding from Mr. Boyland, our advisor, and Bill Kemmery, our student director, we gave a creditable performance, of what we considered a different and difficult play.

The year seemed scarcely started, when Thanksgiving was upon us, together with the opening of the basketball season. Where had time gone? Suddenly, it came home to us with a bang, "June will be here and the trip to Washington! Where is the money?" This set us off in a frenzy of projects to raise money: cupcake sales, scrap drives, sales tax stamp collections, and even Christmas wreath sales. Yes, Christmas was closing in fast, with practice for seasonal music and plans for the Christmas vacation. This year we started our vacation on December 22, and had until January 3.

When we got back, we had something to look forward to, the big Y-Teen dance. John Hoskins and Joan Beck were king and queen of the event. With all these social activities going on, there were still the day after day round of classes. Back in November the better students, in the

upper classes, had competed for the Prince of Peace award. Two senior girls, Mary White and Elsie Matthews, were the local winners; now in January, four people, Joan Beck, Phil Castner, Thurman Church, and Mary White, were selected to take the Ohio General Scholarship Tests.

Along about now February was upon us, and brought the night of the icy roads—the very night selected for the Fish Supper. The weather certainly ruined that event. February also brought an end to the regular basketball season and the time of the tournaments. We tried hard this year, but luck was not with us. We are not crying, but we were disappointed. In the regular season we won 10 and lost 7. In the tournament, here in the county, we went to the semi-finals.

From here on, in our history, we will have to consult our crystal ball. As we write this, the roof flew off the bus garage and the winds are blowing a gale. This will, probably, be known as the day of the Big Wind. Much, perhaps most, of our exciting times are ahead. Easter vacation, for one. This year it will begin on the 7th of April and last till the 12th.

On the 15th of the month will be the Senior High Athletic Banquet, when our athletes will receive their long awaited recognition. Hardly will this be over, when we will start preparing for the Senior Chicken Supper. This is scheduled for April 30.

Only a month to go! But, we have to take time out for the track meets. The following week will be the Big Social Event, the Junior-Senior Prom. The very next day will be the Baccalaureate Services. Five days later comes the BIG DAY, Graduation, and then our trip to Washington.

All this and classes too? Surely, there can't be time enough for all these things to happen! Oh, we almost forgot—final exams! Somehow, a lot of us will have to squeeze these in also.

SPONSORS

The SPEEDOMETER staff and the administration of Portage County Schools are deeply grateful to the fine businessmen of Portage County for their unfailing patronage of the SPEEDOMETER through their advertising. If it were not for these firms our book would have to command a much higher price. We earnestly urge all school heads and members of families where our books are found to look through the pages for their local merchants. Wherever you find an advertisement you can be assured that the advertiser has a deep interest in the schools of our county. Please use this book as you do the yellow pages of your phone book when looking for the firm that can supply your demands. One good turn deserves another.
